

Dance with me tonight (Olly Murs)

Aladdie, Jasmine, SoShy (and Lauren in ensemble)

ALAD My name's Aladdie nice to meet you let me tell my story
Am just a no-body that's seeking riches seeking glory
I live right here, in panto land, yeah
I'm not the richest or the poshest person that I'll mention
Just a cheeky charmin' lad that goes on wild adventures
Come on now lemme see you clap your hands, yea

ALL We just wanna, oooo, ohoh baby
We just want you to dance with us tonight
So come on, oooo, ohoh baby
We just want you to dance with us tonight

JAS My name is Jasmine I'm a princess but I have to hide it
Bored in the palace so I snuck out for this one time,
Don't wanna be, royalty today
I feel the music running through my soul
The market's bustling, people come and go
Try-ing to blend in, so no one knows

ALL Here in panto land
We like to dream big but things
don't always go as planned
We've got goodies, we've got baddies

ALAD And you've got the one and only Aladdie

ALL ooo, ohoh baby, we just want you to dance with us tonight
So come on, ooo, ohoh baby, we just want you to dance with us
tonight
(repeat)

Part of Your World (Little Mermaid 2023 version)

Jasmine

Look at this stuff, isn't it neat?
Wouldn't you think my collection's complete?
Wouldn't you think I'm the girl
The girl who has everything?
Look at this trove, treasures untold
How many wonders can one palace hold?
Lookin' around here, you'd think
"Sure, she's got everything"

I've got trinkets and antiques aplenty,
I've got dresses and jewel'ry galore
You want diamonds? I got twenty
But who cares? It's just things.... I want more

I wanna be where the people are
I wanna see, wanna see 'em dancin'
Walkin' along down that...what d'ya call 'it? Oh, downtown
Disguising and hiding really is no fun
Why can't I be normal like everyone?
Strollin' along through that... what's that word again? crowd
Out where they walk, out where they run
Out where they stay all day on the prom,
Just to be free, wish I could be
Part of that world
What would I give if I could live out of this palace?
What would I pay to spend a day like everyone else
Betcha out there, they wouldn't care
If I was royalty or pauper
Bright strong princess, sick of pretence
Ready to go

Yea, Ready to go where our people go
Ask 'em my questions and get to know them
What's a fire and why does it... what's the word... burn?
When's it my turn? Wouldn't I thrive
Love to explore that world outside
Out of this place, just for a day
To be Part of that world

I'm Just Ken (Barbie Movie)

Wishee

Doesn't seem to matter what I do
(*fart SFX*) was that a number two?
No one knows how hard I tried, oh-oh, I

Why can't I find masel' a lassie?
(*fart sfx*) maybe it's cos a am so gassy! (*skips to end chorus*)

'Cause I'm just Wishee

Jasmine & Aladdie

ALAD You're from the perfect paradise (Ooh)
And I'm living on the poorer side

JAS Ooh, I had a feeling
If you got to know me

ALAD Right from the start, you caught my eye
And something inside me came to life

JAS Ooh, I've got a feeling
Now you really know me
Someday
This could be, this could be ordinary
Someday
Could we be something extraordinary?

BOTH You and me side-by-side
Out in the broad daylight
If they laugh, we'll say
We're gonna be someday
Someday, someday
We're gonna be someday
Someday, someday
We're gonna be someday

Love Story (Taylor Swift)

Aladdie, Jasmine, SoShy & Wishee

ALAD We were both strangers when I first saw you
 I close my eyes and the flashback starts
 I'm standin' there
 In the marketplace in summer air

JASM See the lights, see the party, the ball gowns
 See you make your way through the crowd
 And say, "Hello"
 Little did I know
 That you were Romeo, you were throwin' pebbles
 And my daddy said, "Stay away from my Princess"
 But you were everything to me
 I was wishing you'd never go

BOTH and we said
 Baby, take me, somewhere we can be alone
 I'll be waiting, all there's left to do is run

JASM You'll be my prince
ALAD and you'll be my princess
BOTH It's our love story, baby, just say, "Yes"

JASM So I sneak out of the palace to see you
 We keep quiet, 'cause there's trouble if they knew

ALAD close your eyes
 Escape this town for a little while, oh oh

JASM Cos you were Romeo, you were throwin' pebbles
 And my daddy said, "Stay away from my Princess"
 But you were everything to me
 I was wishing you'd never go

BOTH and we said
 Baby, take me, somewhere we can be alone
 I'll be waiting, all there's left to do is run

JASM You'll be my prince
ALAD and you'll be my princess

What would my wishes be?
Lots of toys, a P S 5

My Shot (Hamilton)

Aladdie backed by kids ensemble

 Hey yo! it's time to be a hero
 Don't wanna be a zero

ALAD I'ma take a breath an rescue my princess
 I prob'ly shouldn't delay, but hey, I need to assess
 The problem is I got a lot of smarts, but no success
 I got-ta hol-ler, just to be heard, with every word, I will promise

 I'm a diamond in the rough, a shiny piece of coal
 Tryna reach my goal this pow'r of love's unbeatable
 Am barely a man but my mind is stronger
 These cold winter nights they get longer, I wonder
 Hear thunder, at a disadvantage, an I panic,
 cos I don't have no magic like Abanazar has hers to brandish
 The goal, is for all, to remember my face
 Cos that's how heroes are made, y'all will remember my name
 I am the

ENS Hero - what he's - meant to be

ALAD Heads up, step up, save eternity
 Meanwhile, Abanazar's still threatnin' endlessly

 Castin' dang'rous spells so recklessly
 She ain't never gonna set my princess free
 It's time for me to be a legend leave my legacy
 Enter me - I feel this fire in me,
 Don't be shocked when your fairy tales mention me
 This battle may be long
 But I'ma stay strong
 Time to right all the wrongs
 Come on who's with me?

ALL I am not throwin' away my shot
 I am not throwin' away my shot
 Hey yo! it's time to be a hero
 Don't wanna be a zero , So, am not throwin' away my shot (*repeats into
 rise up outro*)

Bloody Mary (Lady Gage Wednesday TV remix version)

Abanazar, Tuesday, Wednesday (solo lines will be allocated in rehearsal)

Love is just a foolish game that you may play
And when you're gone
I'll feel no sorrow for that day
When heroes come to test my pow'r upon my throne
I'm ready for their stones
I'll dance, dance, dance
With my hands, hands, hands
Above my head, head, head
Like spirits said
I'm gonna dance, dance, dance
With my hands, hands, hands above my head
Hands together, forget him he'll soon be dead, because
I won't cry for you
I won't crucify the things you do
I won't cry for you
See, when you're gone, I'll still be Aba-nazar

We cannot be under-es-timated no
You can't, rewrite, the way that your story will go
I'll wait to strike when dark ness takes hold of the night
We fill your head with fright
I'll dance, dance, dance
With my hands, hands, hands
Above my head, head, head
Like Jesus said
I'm gonna dance, dance, dance
With my hands, hands, hands above my head
Hands together, forgive him before he's dead, because
I won't cry for you
I won't crucify the things you do
I won't cry for you
See, when you're gone, I'll still be Aba-nazar

Something about this night (from Finding Neverland by Gary Barlow)

All except for Abanazar

I can see them,
Dreamers dreaming in the night
One smart choice to make it right
For love is always worth the fight

I can hear them
Cheering for the bravest ones
Willing them to overcome
From underdogs to champions

Oh, all the years I have waited for this
one night is everything
I can't be certain but something is differ-rent
I'm sure
I have
never felt like this before

Something about this night that I cannot express
Ex-citement or nervousness
How it ends, I couldn't guess
But there is something about this night that I just can't ignore
All the sweat and tears and more
Have made this all worth fighting for
If there is one chance this could be the one to beat our expectation...
Something about this night
Oh, something about this night
If there is one chance this could be the one to beat our expectation...
Something about this night, oho
